A B O U T

Victor Marc is a french singer-songwriter who recorded his first EP 'Extended Play' in 2017, which brought an enthusiastic response leading him to perform powerful one-man band live performances at various venues throughout France.

Experimenting with different instruments and styles, his live set alternates intriguingly between energetic tracks, uplifting guitar solos, and delightful ballads. With his guitar and his vocal skills, Victor takes his audiences on a journey through diverse genres of the musical world, offering an unforgettable and authentic mix of indie rock, electro pop and folk music songs.
